Sales Agreement and Health Guarantee

Every effort is made by Tejas Bullies ("seller") to insure that the puppy is delivered in a healthy and sound condition. Your puppy has been health checked by a licensed veterinarian as evidenced by a current health certificate issued by the state of Texas.

Tejas Bullies guarantees this puppy or dog to be in good health to the best of our knowledge at the time of sale.

The buyer assumes all responsibilities of this puppy or dog, including medical expenses, when the buyer takes possession of the puppy or dog.

All puppies are guaranteed for one year from puppy's date of birth against any genetic disorder. This guarantee extends an additional year, provided the puppy is on NuVet Plus Immune System Builder daily for its first two years. www.nuvet.com/20837

If within one/two years of puppy purchase, a licensed veterinarian should find anything genetically wrong with the puppy, Tejas Bullies will only perform a puppy or dog exchange (upon availability). The buyer must provide a written statement from a licensed veterinarian confirming a genetic disorder was diagnosed, as well as a copy of all the puppy's medical history.

The buyer will take the puppy or dog to a veterinarian of their choice within 3 days of possession for examination. The buyer will ensure all first-year shots are completed.

Your puppy is guaranteed for 72 hours (3 days) after leaving the seller's care against any kind of preventable illnesses. If your regular veterinarian is not available, the buyer is required to take the puppy to another veterinarian or this guarantee will be null and void. If the puppy is determined to be in poor health, as evidenced by the provision of two (2) unassociated veterinarian reports, and our veterinarian's concur, the buyer will be given the option of either keeping the puppy assuming all cost for its care, or returning the puppy along with the registration papers for a replacement puppy, when a like animal is available of the same breed and sex. All the costs incurred are the responsibility of the buyer.

Tejas Bullies stands behind our guarantee. No refunds – no exceptions.

The puppy is guaranteed for one/two years from the puppy's date of birth for any life-threatening congenital/hereditary disorders. Any known fault will be disclosed in advance and in writing. There are certain disorders that may be caused by environmental factors, for example: allergies, thyroid dysfunction, demodetic mange, and other autoimmune disorders that are not covered by this guarantee.

The seller is not responsible for stress-related illness such as hypoglycemia, colds, coccidia, giardia, nor kennel cough.

The following things are not covered in the health guarantee: molero, internal/external parasites, physical problems which are or could be the result of injury (hip dysplasia), collapsing trachea, hernias, non-descending testicles, luxating patellas, open fontanelles, cherry eyes or breed ability. The buyer is advised to contact a veterinarian for treatment immediately if any symptoms occur.

Please do not take the puppy into public places unless absolutely necessary, until the puppy has had all its vaccinations (as recommended by your veterinarian) to insure immunity against disease.

There is no guarantee against negligence or injury. The puppy will have current wormings and vaccination(s) at the time of delivery. It is the responsibility of the buyer to keep the vaccinations and wormings current.

If in the event of death, the buyer (at the buyer's expense) must provide the seller a letter stating cause of death from two (2) unassociated veterinarians and a copy of the necropsy report. If the cause of death is determined to be due to a congenital medical condition, an arrangement for a replacement puppy of equal quality will be made.

All puppies are sold as companion pets unless otherwise stated.

Tejas Bullies does not guarantee color, size, bite, head shape, fertility, or temperament of any puppy.

The seller is not responsible for any debts the buyer may incur regarding said puppy (veterinarian, grooming, etc...).

The buyer is responsible for any shipping fees which include crates that are needed to deliver the puppy safely. A **non-refundable** deposit of five hundred dollars U.S. (\$500.00) is required to hold the puppy. Full payment is due fourteen (14) days prior to shipping unless otherwise specified in writing.

Shipment of this puppy by air carrier is at the risk of the buyer. All precautions will be taken to assure that your puppy is properly crated and cared for, but the breeder is not responsible for any unforeseen occurrences on the part of the air carrier, air personnel or airport handlers.

When the puppy reaches 8 weeks and is ready to go to its new home on an agreed-upon date, if he is not picked up and / or paid in full, a charge of \$10.00 per day will be added to the price of the puppy. Buyer will also be charged for any additional veterinarian and vaccination charges unless prior arrangements have been made.

This guarantee is not valid if the puppy is sold or given to a third party. Buyer agrees that he/she understands this contract fully, and that this contract is under the jurisdiction of the State of Texas, in the county of Polk. It is agreed that the place of venue of any litigation or arbitration shall be in Polk County, Texas and shall not exceed the purchase price of any said puppy.

Tejas Bullies strongly recommends buyers of puppies to have them neutered / spayed prior to eight months of age, unless the puppy is being purchased specifically for breeding or show purposes.

AKC registration paperwork will be sent to the buyer only after seller has received a signed copy of this agreement.
